CARLEY'S JUST A HOT HOMEBODY

I'm sure you all know that MILF is, by now such an overused word that we guys hardly pay any attention to it. Now, I'm not saying don't use it, or don't stop giving us beautiful women who fit that description. It's just that everyone's interpretation of the word is different. But wait, I think, this time, you have hit the nail on the head with your last issue. Carley is the perfect MILF by anyone's definition. She looks the perfect age, and has the perfect body. And what's great is she likes to stay home and hang out naked with her man (my words not hers). I would bring her wine by the fireplace and we'd make long slow love on a polar bear rug and we'd fall asleep right then and there in each other's arms. Then we'd do it all over again in the ember's glow. I hope she's a romantic because I sure am. Wine 'em, dine 'em and love 'em. That's what I always say.

- Matthew H.

SUNNY AND WILD TODAY

Sunny is a flower child at heart and says that she loves all living things equally. One day, I'll find out because I'd come knocking at her door to ask for access to her backyard to cut down a tree which I'll tell her has been a nuisance to her neighbors. Then she'll beg me not to cut down her tree in the name of Earth Day and she'll tie herself to the tree in protest - butt naked! I'll tell her that I'll have to take pictures of her protest and take it to the city council. She'll beg me not to do that and then I'll say that she can stop me from doing it if she favors me by allowing my big stiff cock into her mouth. Which she, does, of course. It barely fits into her tiny mouth but she sure knows what to do with it! Then I'll untie her from the tree and let her bounce her tight booty on my cock. Then, after getting railed from behind, I'll turn her around and drop my seed right on her face. Then I'll leave her and her tree to pine the day away.

- Stan the St. Louis tree man

WE'LL SHARE YOUR BIG COCK, TOO!

A woman with long brown hair is smiling and posing on an orange couch. She is wearing a blue and black patterned halter top and pink underwear. She has a tattoo on her left shoulder. The background is a red curtain. The title "Penny Flame" is written in a stylized font in the upper right corner.

Penny Flame

Penny hired a plumber to fix a broken pipe in her bathroom. He told her that all the pipes in the bathroom needed to be completely replaced so he would have to charge her more than what he initially quoted. Penny was mad and tried to reason him but he wouldn't budge. With no choice, and still needing her pipes fixed, Penny seduced him with her body and sex and got the pipes fixed.

101 COUGAR

The cougar is a perfect fuck. She's on the hunt for a man and gets her claws in him sooner or later.

I'm a cougar on the prowl. The best place right now is where there are. With only a week of summer vacation left, I'm trying to make the most of it. I've been sunning at the beach in Cancun most of the summer and staying in writing my novel all night. But tonight, I told myself, it's going to be different. I'm going to Coco Bongo, a huge club on the beach. The name is kinda weird but the place is hopping and I like the atmosphere. And did I mention there were lotsa guys. There were some great looking guys. Guys with the perfect hair, perfect smile, and perfect body, too. I wanted them to talk to me, but I also wanted them to take it one step further. Be discreet and don't only buy me a drink, but slide between my legs a bit showing some slight romantic interest in me.

A cougar on the prowl is a dangerous thing.

I hadn't got laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a girl with sweat running down her body? So I got myself ready for the club. Smell nice. Wear that new perfume. Get into my shortest dress and highest heels. The right man will notice all this. All the time I took to get ready for "him." I'm waiting in anticipation for you, I kept telling myself. I'm more than just hungry for the right person, I am desperate for that man who wears the right cologne, walks up, and slips between my legs rubbing my neck as I sit atop my barstool staring into

his eyes. There is a desire running in me. It's mounting, gradually rising, and should I say it is becoming a raging mad ball of fire within me. As I become hornier for him, I watch one after another walk past me, I become wetter and wetter, and slowly begin dripping a little, too. The moisture within has built to an incredible amount that is soaking the crotch in my panties. Two plus hours have come and gone and I've looked around but no one, yes no one, has approached me this night, so I am going home. I really like the door man. He has been sweet and gracious. He was not beautiful, but he was nice and gracious.

The claws are out. Men beware.

He told me at the very last minute he'd ask me out if conditions were different. I thought I would have fucked him only because I was bored, lonely, and already horny. That was making it an easy decision. I wouldn't tease; I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage of my situation this time which was a good idea, maybe. Sometimes I thought I wished I had. Just as I got into my car, some guy yelled out asking me why I was leaving so soon. I thought that was bold but told him – 'Sorry, yes I was.' He said he wished I would have stayed so we could have danced. He was cute and was the foundation for me playing and getting off that night at home.

Caught in her web of intrigue and mystery.

I thanked him in my own way but obviously not face to face. Using my imagination, my orgasm Saturday night was while I slow danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy and he could get me to orgasm while we slow danced. All he did while we danced was fingerfuck my pussy, going underneath my skirt and I loved it. I always love my fantasies and I've come up with some doozies.

Thursday, another boring day, I told myself. I called an old friend who I knew to go shopping. I was going to ask her to go to the club but didn't. I went shopping

with her but she and I really didn't have much in common and by day's end it wasn't that much fun so that is why I didn't. Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by ten, I gave in and went over to the club.

Going in I immediately walked over to the bar. He wasn't working that night. I was disappointed. I asked the girl behind it and she said he was coming in soon to help out if it was busy. I smiled because I was relieved. I needed someone to talk to. She and I talked. It was an extremely slow night. There were two bar-keeps on duty, her, and another guy. He was new, but she told me he was experienced. I thought, since I was bored and lonely, "How experienced is he?" I said. She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home instead, or she could come home with me and have sex with me. I've never had sex with another female before although I goofed around in college back when I was a freshman and sophomore, but not as a junior or senior. No, not this year I haven't either. Things are different this year. I thanked her and told her maybe I'd think about it. She said it was alright and understood.

The bartender's name is Juan. He comes from a nice family. He and I wanted one thing. He and I were both bored lately and lonely as hell. I asked him

Now it's time to devour her prey.

I unbuckled his belt, unsnapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees and looked up at him. I held it in my hands. I stroked it very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long, stiff and lean just like him. Then, I gave him the best blowjob any woman could give any man. Afterwards, he lifted me up, removed my bra and panties, and standing completely naked, he stared and stared as if gawking, but he said something quietly as if talking to himself almost. "They are the most beautiful breasts I've ever seen." Then Juan put his arms around me and we kissed and kissed for a very long time.

Now we're both naked. I walked back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, he caressed my breasts. He kissed them, and the surrounding areas too. Juan quietly kissed or caressed me everywhere. It was and it wasn't intense. Building up to a moment of final ecstasy, Juan's hands swarmed me in areas no one has ever touched before. His fingers slipped inside my butt cheeks, slowly they inched their way through to my hole. Yes slowly, but surely they made their way. Not forcing his way, he subtly slipped his fingers in my pussy wetting them down and delicately went into my ass hole. I squealed when his fingers went inside it but I let him proceed. I backed my hips into his fingers and told him to replace them with his cock. He did so immediately and I buckled from the largeness creeping into my tiny hole. I grabbed his hips and made him push into me more. Then took his hands and brought them around me and down to my clit.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I felt his warmth gush deep in my anus. We collapsed on the bed, his weight on top of me. I was so turned on that he just touched me lightly on my clit and I came. That night was full on sex and romance.

what he wanted and he answered almost the exact same way. He had big hands with long slender fingers. It suggested to me only one thing and I would not be disappointed because I was horny and anything would do. He was horny too. We didn't waste time as Juan made the first move. He leaned towards me as I watched his mouth close in on mine.

Time to reel him in and have her way.

We began to kiss. I wanted Juan to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened I'm sure but I didn't know. He unbuttoned me as I wished. Once he unbuttoned me completely, he didn't remove my top. He looked inside and was overjoyed with what he saw. I was elated. I was anxious.

I am happy to offer them up to him. I am delighted. As he might think, two delicious mounds for him to enjoy all night long. He smiled and I knew I was right all along. Then I removed my skirt for him too. Doing it said I was ready to make love to him. Juan took off his shirt. I liked Juan's chest right away It was manly enough so I took off my top. He told me he was really turned on. I told him I was too. I asked him to see what I meant and held his hand. He knew what I meant. I led it down between my legs so he could feel my panties.

Sindy and Daryl have just made it home from a long road trip. They are excited to be back and away from the long road. They had good times on the trip, but the long drive back was exhausting. The girls haven't even unpacked before they are at each others' bodies and kissing playfully. Daryl takes first dibs on Sindy, pulling her panties down and licking her pussy. Then the two get at it with tongues, fingers and pussies and reminiscences of their trip.

Madison was running a little late today. But, it was worth the wait. She came to thrill, wearing nothing but a gold body chain gold earrings and Louboutin pumps. The look: smoking hot. To go with her barely there outfit she had the right attitude, a banging body that was uniquely flexible, and a gorgeous face. What more could you possibly ask for! Enjoy.

ENOUGH IS NOT ENOUGH

My long time boyfriend moved to Europe for his job. He said it would be a couple years, but he'd come back every few months to be together. He left me in charge of his dog Rex, and his '85 Classic. Both of which I love. It was sad to see him go, but glad to see them stay, for a while anyway.

But alas, shortly after he left, I noticed some changes in myself. It started with an unexplained feeling of restlessness most of the time, and about three or four months ago that restlessness suddenly identified itself as horniness. I had been having frequent and overwhelming bouts of horniness, to the point where I slipped back into masturbating as often as I could. I masturbate on an average once or twice a day, all week long, sometimes even during the day if I'm home, but mostly at night.

If the opportunity presents itself, I even

flirt with coworkers and even random strangers whom I find attractive. I would store images of these men in my mind and use them in my fantasies of self pleasuring. I would spend literally hours sometimes, just rubbing my nipples and clit or finger fucking my pussy and asshole till I cum. Vibes and dildos play a major part in my rediscovery, also. Toys can be a great friend at times like this.

We had been holding on to this car for sentimental reasons (it was my husband's "classic" car), but last week after it had broken down, I decided enough was enough. I sold it and got myself a brand new car that I could call mine. Looking at the new buyer drive the old car away, I immediately remembered the young man who had last helped me, and the way he had been so brazenly checking me out as I stood by watching him work. But as I thought of him now, his name was Zach, with my pussy itching like hell for some action, I couldn't help wondering what it would be like to see him again, not to do anything, just flirt a bit and then finger fuck myself to the memory after he'd left. An idea came to my head. I got my phone and found his number. He answered after the second ring.

"Hi Zach, I don't know if you remember me, but this is Jolie. You towed my old '85 Classic from Laramie Road a couple months ago." "Of course I remember you, who wouldn't. You're the beautiful lady with those nice blue eyes and, if I may, terrific figure." I was sweetly

stunned by his words, and immediately raised the hem of my dress and pushed a shaky hand into my panties. "Thank you. You're a real flatterer; you know how to make a lady feel good. Anyway, I sold that one and got a new one, but my brand new car won't start and since it's Sunday, the dealer isn't open."

"I'm happy to help, I'll drop by around six. Okay?" he said.

I went back to the stool and sat with both of my feet on the floor, but with my legs spread much wider this time. I could see the glint of desire in his eyes as he stared every now and then directly at my crotch.

"Good, Zach, looking forward to it, bye." I hurried to my bedroom and slipped into a pair of light blue shorts that hug my ass tight. I had no doubts; I know I was in good shape for my age. I then put on a thin, loose and low cut blouse that barely reached my belly button. And no panties! The doorbell rang at exactly five minutes to six. He stood outside the door looking at me, his face glowing with a broad smile, his dark eyes twinkling. He certainly didn't make any bones about telegraphing his thoughts. "Nice to see you again, miss."

"Glad to see you too, Zach. Thanks for coming. Please come in." My pussy was twitching in my shorts as I led him through the house. I took him into the kitchen, and went straight for the wine bottle. I needed a little buzz to be able to go through with this, but not so much to make me go all the way through; that was not in my plan, just a little flirting to get the juices flowing. Maybe, a little 'accidental' touching. I bent over to get the glasses, knowing he'd be eying my ass.

"You don't mind, do you?" I said as I poured the wine. "A bit early yes, but what the heck, how can I refuse one so beautiful?" I handed him the glass, making sure our hands touched. I showed him to a chair, and then sat down on a stool facing him, my legs spread, and one foot up on a cross rung of the low stool. He was looking intently at me. We chatted for about ten minutes about his work and the things that I do. I found out that he was twenty-four and single. I got up and went over to his chair to pour him another drink, enjoying the feeling of him looking into my blouse at my perky boobs just out of touch.

I got up on weak legs and led him to the garage. I stood in the doorway watching as he used his tools on the car. As he worked, he was constantly checking me out; my legs, my crotch, my boobs, my eyes, he looked everywhere on me, and under such obvious undressing, it was all I could do to keep from grabbing him and doing him right then.

I knew this was no longer harmless flirting. I no longer cared about having things under control. I wanted this guy to fuck me. I was titillated; I felt my skin tingling all over, my mouth watering. He held my gaze for a few seconds then stretched out his hand as if for a lift up. I grabbed it with my hand, sweaty with excitement. He sprung up, his body crashing into mine. Holding me around the waist, he pulled me close to him, his right thigh wedged between

my thighs, his big hard cock pressing against my belly. I felt my pussy pulsing. Bending his knees a little, he forced his hardness against my pussy.

He stretched his hand down and lifted me off my feet. I showed him the way up the stairs and into my bedroom. He put me down on the big bed and quickly got out of his jeans and boxers. I marveled at his big cock with its glistening head and puffed veins. He climbed onto the bed and lifted my blouse clear of my boobs. He took a stiff nipple in his mouth and sucked it hard, making me wince. His strong hands spread my legs wide and he tugged at the loose leg of my shorts, moving it aside to expose my pussy with its lightly trimmed hairs.

He poked a big forefinger into my wet pussy. He got between my legs and managed to get his huge cock into my aching pussy. He slammed into me hard, making me grunt and grab his

to work my body under him in a deep rolling grind. I grabbed his shirt in a tight grip as I bucked and jerked under him, listening to the sloshing sounds of his cock moving in and out of my very wet pussy. I felt him rip my blouse apart and pull it off me. He pulled out his cock, lifted my hips and dragged the shorts off me.

He flipped me over on my belly, put his hands under me and raised me up on my knees, my ass high in the air. I felt his hands separating my thighs and his cock at the entrance of my pulsing pussy. I bit my lip and braced for the assault. He drove into me, pushing me forward. He was slamming into me hard, every thrust pushing me forward, and, every time I would push back to take the next blow. I felt my knees getting sore, beginning to bruise due to lack of me being on them for so long. I wriggled my ass as best as I could against his pounding, grunting and snorting. I felt him slap my ass hard and I yelped. He pulled out his cock and flipped me on my back. He brought his cock to my mouth, and I opened up and took it hungrily, sucking and licking and biting. He pounded into my mouth, using it like a willing pussy.

He pulled my head forward and I gagged on the big tool. I grabbed it with both hands; one on top of the other and still had a couple inches sticking out. I took it into my mouth and clamped down and around the big head. I sucked it hard, pulled away, sucked it again, pulled away, rubbed it all over my face, sniffing and licking. I slapped

sides to control his movements. He took hold of my legs at the ankles and spread them wide as he pummeled my pussy. I bit into my lips, and felt teardrops on my face as he roughly worked my pussy. I gritted my teeth as he slammed into me. He let go of my legs and I planted my heels into the mattress for leverage as I started

it hard, and threw myself back on the bed opening my legs wide and using both hands to spread my pussy. He knew what I wanted.

The orgasm hit me suddenly. I bucked and kicked about under his mouth glued to my clit. When my shaking was over I turned around and took his cock in my mouth and sucked on it gently for a long time until he exploded. I swallowed every drop; then I licked his balls lovingly as he stroked my hair. He remained with me late into the evening. Just so you know, he fixed the car on Monday morning!
